

Health Forms required for the upcoming 2016-2017 school year.

Required forms:

- [Emergency Information Form](#)
Required for ALL students
- Birth Certificate**
Required only for new students.
- [Certificate of Child Health Examination Form for State of Illinois](#) (in [Spanish](#))
Required only for new students.
- [Permission Form to Administer Medication \(including Over-the-Counter\)](#)
Wolcott keeps a stock supply of acetaminophen (commonly known as Tylenol®) and ibuprofen (commonly known as Advil® or Motrin®). Any over-the-counter or prescription medication can only be administered if the “Permission Form to Administer Medication” is filled out by a parent/guardian and a physician. All medications must be delivered by a parent/guardian directly to the nurse or Wolcott staff member in the original packaging.
- Proof of Meningitis Vaccine (MCV4) for Incoming 12th Grade Students**
Proof of two* doses of vaccine must be received in the form of: (1) a letter or note signed by your health care provider identifying the date the MCV was administered, (2) a printout from your provider’s electronic medical record (EMR) that indicates the vaccine was administered, or (3) a current [Certificate of Child Health Examination](#) specifying the date the vaccine was administered.
*Exception: if the child was 16 years old or older upon receiving his/her first dose, only one dose is required.
- [State of Illinois Eye Examination Report](#)
If your child is attending an Illinois school for the first time, you must submit a completed “Eye Examination Report”. The eye exam must have taken place within the last year. The form can be found on the Wolcott School website under the tab “Campus Life”, then under “Student Health Forms”.
- Emergency Action Plan(s)**
If your child has a medical condition such as a food allergy, asthma, anaphylactic reaction to a nonfood item, diabetes, or seizure history, please have your child’s healthcare provider fill out the appropriate “Emergency Action Plan”. These forms can be found on the Wolcott School website under the tab “Campus Life”, then under “Student Health Forms”. If your child has any medical condition requiring an individualized plan for assessment or treatment during the school day, please contact the School Nurse, Justine Sirhan, at 312-610-4910 or jsirhan@wolcottschool.org.
