2019- 2020 Photo Video and Release Form

Student's Name: _____

During their educational experiences, Wolcott students may be photographed or video/audio recorded in connection with a school activity or event. Photographs and video recordings of students may be used in Wolcott School materials and publications, such as newsletters and yearbooks, posted on the School's website, or shared with outside media outlets, including newspapers and television stations.

[Check One]

_____ I give Wolcott School permission to use photographic, video or audio representations of my child in print, internet materials or in other media produced by the school for publicity purposes without further permission. I further consent to Wolcott School's release of such information to outside media outlets.

_____ I only grant consent to Wolcott School to use publish my child's photo in school yearbooks. I understand that my child will not be able to participate in school activities/events which are photographed or video/audio recorded by the outside media, or by Wolcott School for later release to the outside media or for use in Wolcott School materials, with the exception of the school yearbook.

Parent/Guardian's Signature: _____

Date: _____
